### PROPOSAL TO OPEN PERTH CLOISTERS OFFICE FOR DOCUMENT LODGEMENT ON SATURDAY 27 JUNE 2009

Landgate has experienced some power interruptions over the last three weeks, in part as a result of storm damage. Unfortunately the resultant system interruptions reduced the level of services provided to Landgate's regular land industry customers and the general public. Further scheduled outages may also result in a minor reduction in services.

As June is usually the busiest time of the year in the land registration industry and recognising the recent service disruptions, Landgate is proposing an extension to document lodgement hours by opening for document lodgement on the morning of Saturday, June 27 2009, subject to the consultation and participation of industry members.

The proposal is to open the Cloister's business office at 200 St Georges Tce between the hours of 9.00am and 12noon for document lodgement only.

To properly plan for the extended document lodgement hours Landgate is requesting feedback from Customer Information Bulletin subscribers in relation to this proposal.

Should you wish to take advantage of this offer simply send an email to Landgate by clicking on the link shown below by adding a "Yes" to the subject line.
