

# Notice to Surveyors

**T1/2022**

## Updates to CSD Editor & Digital Data Requirements

Updates have been made to Landgate's [APX-05 Digital Data Format Specification](#) and CSD Editor. Overview of changes:

- Community Titles plan interest land usages  
See 'APX-05 Sec 2.15.4.1 Encumbrances'.
- Projections updated  
Barrow Island Projection included with latest version of CSD Editor.
- DBNGP Interest clarification  
See 'APX-05 Section 2.15.4.2' for CSD requirements.
- Updated ECW Support  
Updated to support ECW files with support for ECW encoded with EPSG encoded projections for MGA 2020 zones.
- CSD Editor  
Surveyors using CSD Editor, please contact [Geodata@landgate.wa.gov.au](mailto:Geodata@landgate.wa.gov.au) for an updated install file and instructions. The latest version includes the above updates.
- New spatial.ini file  
Surveyors not using CSD Editor, please refer to the NLR-Plan Onboarding Kit on the Survey Channel for new spatial.ini file.

### Timing:

- All requirements listed above are effective immediately from the issue date of this notice.
- Regarding the DBNGP requirements, if a CSD file is lodged using the previous DBNGP requirements, a new CSD may be required (to be determined in collaboration with the lodging surveyor). From 02 September 2022, a Level 3 requisition will apply and a new CSD file will be required.

If you have any queries about this notice, please contact 9273 7373, select option five and ask for NLR Support, or email [RRP@landgate.wa.gov.au](mailto:RRP@landgate.wa.gov.au) with details regarding the issue.

A handwritten signature in black ink, appearing to read 'DM'.
