

Notice to Surveyors

T5/2020

GDA2020 further update

Further to our previous Notice to Surveyors [T4/2020](#) issued on 5 June 2020, Landgate will now be implementing GDA2020 early next financial year.

The implementation of GDA2020 into the production systems requires a full weekend shutdown of the NLR-P Surveyor Portal, and that cannot occur until after 30 June 2020.

Other applications such as MapViewer Plus and Land Enquiry Services will also be partially unavailable when the weekend shutdown occurs.

All other information contained in notice [T4/2020](#) remains valid, and Landgate will advise the appropriate dates in due course by issue of a new notice.

If you have any queries about this notice, please contact 9273 7373, select option 5 and ask for NLR Support, or send an email to RRP@landgate.wa.gov.au with details about the issue.
